

Hi Parents,

Summer is almost over! Soon we will be back to waking up early and helping with homework, but don't worry about packing a lunch or making breakfast. The following is some information on the school's optional lunch/breakfast program.

Each month the lunch and breakfast menu can be found online under the cafeteria news section. Generally they are posted about midway through the prior month. Every day, children can choose from the main lunch, a hot dog, or PB&J. Prices vary and will be listed on the top of the menus. Each lunch also comes with a side. The side varies depending on the meal, but example side choices include fruit, fresh veggies, tossed salad, tater tots, corn, yogurt and pasta salad. Breakfast varies each day and comes with a drink.

If you wish to order for your child, simply print out the menu, circle your choices, and send the menu back to school with payment. If you use Venmo please print menu and send into school. There is no minimum or maximum amount of orders you can place. Some children buy everyday, and others just once a month. Either way is fine! We do make extra food everyday for those crazy mornings when you don't have time to make lunch and your child needs to buy. With that said, extra lunches are available on a first come first served basis, so turning in a menu is best....especially on pizza day.

There is also a snack table each day that offers items like cookies, pudding, cereal, popcorn, and Fruit Roll-Ups. Children can also buy drinks at the snack table, including CapriSun, Sunny D, Gatorade and water bottles. We do keep an eye on the snacks we let the younger children buy, so you can be sure your child will not be eating cookies as their meal!

Most trips and days off will be listed on the lunch menu, but there will undoubtedly be unexpected trips and snow days. Information about credits for such days will be put on the SKD web site with the next month's menu. **Since lunch/breakfast are done on a pre-order basis, unfortunately we can not credit for days absent, however you may come in and pick up your absent child's lunch anytime before 12:45pm or email me and we can give it to or send it home with a sibling. In cases of extended absence, let me now at the start of the absence and we can adjust your child's menu. All credits must be used in the month they are issued. Please do not take any credits not posted on the website without contacting me.**

Please know that if for any reason your child is unprepared for lunch, they should not hesitate to come up to us and let us know. We will do our best to accommodate every child. No matter what the circumstance, they should NEVER just come in and skip lunch for the day. In an effort to keep cost reasonable for parents who order we ask that if you pack lunch for you child each day please be sure to include any silverware, napkins or condiments they made need.

If you have any questions or concerns at all, please feel free to email me at teriann03@yahoo.com or call me at 215-870-6913

Thank you, Teri
