Dear Parents,

As you know our school's operating budget was created with the expectation that the parents would raise funds to keep the price of tuition as low as possible. Once again the Parents Association for St. Katharine Drexel School has been very hard at work raising money for our school. With your support, they continue to do an incredible job!

Race for Education is a fundraising event that is slated for May 21st. The students will find sponsors to support them as they walk for the school. Each student will raise funds by asking sponsors to make tax deductible donations to St. Katharine's. On average, ***Race for Education*** successfully raises between \$75 and \$100 per student. The walk will take place on the school's outdoor track. All students will make as many laps around the track as they can manage for one hour. There are incentives for the children to add to the excitement. They can earn jean day certificates or trips to the treasure chest.

The ***Race for Education*** is intended to raise funds for primarily capital improvements for our school. Specifically, the goal this year is to raise money for our new addition-The Learning Center-which will consist of our Learning Support Program and our Fine Arts Music Lab. Specific details about these new initiatives can be found on our school website. Our school's goal is to raise \$40,000.

New this year: parents will receive an email providing a link to your child's own web-based donation page. I know ***Race for Education*** will bring excitement and enthusiasm to the school community.

Sincerely,

Laura A. Clark
Principal
