**STUDENTS AND PARENTS MUST ACCEPT AND ABIDE BY SAINT KATHARINE DREXEL REGIONAL CATHOLIC SCHOOL POLICIES AND PROCEDURES IN ORDER FOR THE STUDENT TO ATTEND SAINT KATHARINE DREXEL REGIONAL CATHOLIC SCHOOL.**

### **MISSION STATEMENT**

*St. Katharine Drexel Regional Catholic School forms Catholic leaders through academic excellence, personal discipline, and Christian service.*

**Academically**, the school pursues a curriculum designed to exceed guidelines that are linked to national standards for all subject areas.

**Socially**, the school strives to create an environment for learning where children feel comfortable and loved, knowing they are supported by their classmates as well as their teachers.

**Spiritually**, the school emphasizes Christian service and personal discipline with a goal toward developing Catholic leaders.

*Saint Katharine Drexel Regional Catholic School is accredited by the Middle States Association of Colleges and Schools, Commission of Elementary Schools. Though not mandatory, we believe that accreditation demonstrates our commitment to excellence and provides a strong endorsement for the value of an SKD education.*

## **MEMORANDUM OF UNDERSTANDING**

Every Catholic school student has a right to be treated as a child of God, with the love and respect that implies, regardless of family circumstances. In like manner, the believing community has the right to an education guided by Catholic teaching and identity, unimpeded by pressures contrary to Church teaching.

As parent/guardian of a student in a Catholic school, I understand, affirm, and support the following:

1. The primary purpose of a Catholic school education is two-fold: to strengthen the Catholic community in its faith, and to form students in the teachings of Jesus Christ and the Catholic Church.
2. Catholic schools are distinctive religious education institutions guided by the teachings of the Catholic Church. They are not simply private schools offering a positive moral code. Rather, they exist to advance the faith mission of the sponsoring Catholic parish(es), Archdiocese, or Catholic religious community.
3. While Catholic education places a high value on academic excellence and extracurricular achievement, its fundamental priority is fidelity to Catholic teaching and identity.
4. Attending a Catholic school is a privilege, not a right. The school and its administration have the responsibility to ensure that Catholic teaching and moral integrity permeate every facet of the school's life and activity and that the school is able to function as a community of faith.
5. In all questions that involve Catholic teaching, morals, and Church law, the final determination rests with the Archbishop.

As a parent/guardian desiring to enroll my child in a Catholic school, I accept this memorandum of understanding. I pledge support for the Catholic identity and mission of this school and by enrolling my child I commit myself to uphold all principles and policies that govern the Catholic School.

## **Academic Failures**

Attendance at a summer school or a tutoring program is mandatory if a student has two or more failures on the final report card and wishes to return to SKD School for the next year. Notification of successful completion of a program must be given in writing to the school office prior to the first day of school.

Any eighth grade student who fails any of the basic skills (English Language Arts or Mathematics) or who has a failing composite average is required to attend summer school provided by the Archdiocesan High School if they wish to attend an Archdiocesan High School in the Fall.

## **Academic Probation**

A student will be placed on academic probation according to the following stipulations:

- If a student has two or more failures in major subjects for the final grade, that student will be placed on academic probation until the end of the first report period of the next school year.
- If a student on academic probation incurs even one failure in a major subject at the first report card period, that child would be liable for dismissal from the school.

## **Administration**

The principal of the school, in cooperation with the pastors, is the chief administrator of all functions that have anything to do with the school. The principal initiates programs, directs and supports the faculty, and is an integral part of all decisions that affect the children of SKD School.

### **Admission of Non-Catholics into Saint Katharine Drexel**

Saint Katharine Drexel School serves a variety of purposes, including the academic, social, and physical development of the students. However, the primary purpose of the school is religious. We exist for the purpose of evangelization and catechesis, that is, the proclamation of the Gospel and formation of the entire school community of faith. Saint Katharine's offers a complete Catholic religious education program and makes every effort to develop the Faith in all the students so that they may live a full Christian life.

Non-Catholic students may be admitted to the school under the following conditions:

1. The permission of the pastors is obtained by the principal in each case.
2. Adequate facilities and space are available without denying the admission of eligible Catholic students.
3. The parents / guardians agree in writing to permit their child(ren) to attend Religion classes and Religious functions which are offered as part of the school program.
4. The parents / guardians commit themselves in writing to accept and to promote the philosophy, goals, objectives, and regulations of the school.
5. The parents / guardians agree in writing to assume the responsibility for all financial obligations.

6. The parents / guardians and student(s) agree in writing to adhere to the technology acceptable use policy.

### **Tuition**

Saint Katharine Drexel School provides quality Catholic education through the efforts of our parish priests, faculty, staff, Parents Association, volunteers, parish community, and most of all, through the many sacrifices made by the parents / guardians of the children enrolled in the school.

The pastors, school administration, business manager, and financial advisors from the supporting parishes determine the tuition costs for the following school year. This information is communicated to the school parents / guardians through the school.

St. Katharine Drexel School offers families the SMART tuition payment program. Please refer to the school website for details. School families receive a tuition invoice mailed to the family by the end of July. The yearly tuition is divided into ten payments.

In justice to all parents and parish communities, parents are expected to keep tuition payments up to date. The administrative pastor, school administration, and business manager review tuition records on a trimester basis. Parents will not receive the interim progress report, or the trimester student report card if the tuition account has an outstanding balance, unless the parent has met with the pastors or the school administration of St. Katharine Drexel School.

### **Subsidy / Church Contributions**

Saint Katharine Drexel School relies primarily upon three (3) sources of revenue: subsidy of each parish (also known as parish scholarship), tuition, and development by fundraising efforts.

Saint Katharine Drexel School is committed to supporting and assisting any family who desires Catholic education for their children. Every school family who is a contributing parishioner will receive a parish scholarship for their children in grades one through eight.

Our school endeavors to accommodate students with special needs, as the school's resources and capabilities reasonably permit. SKD School reserves the right to decline admission or to impose reasonable conditions of attendance where circumstances indicate. Any child admitted during the actual school year will be on probation for the first full trimester of attendance.

Whenever a student has a change of address or phone number, the parent is asked to notify the child's teacher, as well as the secretary in the school office. Falsified information regarding addressees of children may result in immediate transfer.

### **Legal Custody**

Parents are asked to inform school personnel when legal custody of the child (ren) resides with one parent. It is important for the school to have a copy of the custody decree. This will help school personnel to make effective decisions when the need arises. Custodial parents are likewise asked to supply the school with copies of restraining orders if the need arises.

Those individuals who have legal custody of the student may attend school meetings, participate in educational decisions and review educational records regarding that student. Persons who do not have legal custody (including those with visitation rights but not legal custody) have no such educational rights and may not participate in these matters.

The school may require parents/guardians to sign an agreement regarding the administration of parental participation issues and payment of tuition. A copy of this agreement will be kept on file in the school office.

Unless a court or custody agreement specifies otherwise, each parent/guardian with legal custody is entitled to access all school records of the child. Absent a subpoena or court order, school records of the child (ren) may be disclosed only upon written consent of the parent/guardian with legal custody.

The school is required to provide only one set of school grades, notices, and other related educational materials. The school is not required to hold separate meetings for parents. It is the responsibility of the parent/guardian to communicate such information to each other.

A child will not be released to a parent/guardian who does not have physical custody, without the written consent of the custodial parent/guardian. To determine the custodial parent/guardian, all separated or divorced parents of children enrolled in the parish school must provide the school with a copy of the court order or custodial agreement adjudicating that determination of custody. This agreement is placed in a confidential file.

### **Attendance**

Lateness and irregular attendance interfere greatly with a student's academic progress. The illness of a student, death in the immediate family, quarantines, or "exceptional urgent reasons" constitute reasons for lawful absence.

Student absences must be reported to the school office before 9:00 AM on the day of the student's absence. In addition, on the first day the child returns to school, written notification of the reason for the absence must be presented to the homeroom teacher. A physician's note is required after three day's absence. Students arriving after 11:00 AM will be marked absent for the morning session. The administration will contact a parent / guardian when a student has an excessive number of days absent. Students who miss excessive school days without a physician's note or known valid reason will be considered truant and subject to dismissal. The local public school will be notified of dismissal for truancy and that the child is no longer on the school roll.

**Absence without the parent's knowledge is a serious offense. The offender is automatically suspended and will not be permitted to return to class until the principal interviews at least one of the parents.**

#### **Late Arrival**

Students arriving after 8:15 but before 11:00 AM will be marked "late". If arriving after 8:15 AM, a student must report to the office with a written notification of the reason for lateness. A parent / guardian must accompany the child and sign in the child. Then a late pass will be issued which will admit the student into his / her homeroom. Chronic lateness will result in administrative review of the situation Late bus arrivals do not constitute a late arrival.

### **BOARD OF LIMITED JURISDICTION**

While the principal is responsible for the general direction of the educational program, decisions related to personnel, the daily operation of the school, the raising and distribution of funds, and

the stewardship of the budget, the Board of Limited Jurisdiction assists with the long-term viability of the school. They oversee finances, facilities, development, and marketing/enrollment.

## **Books**

The students are expected to treat all textbooks with proper care and respect. Every textbook and workbook must be covered at all times. These covers are to be kept neat and clean. Neither the covers, nor the books themselves, should be defaced in any way. Damaged or lost books, including library books, must be replaced at the student's expense. School bags are required for the protection of schoolbooks.

**Response to an Incident of Bullying-** Some acts of harassment, intimidation, or bullying may be isolated incidents requiring the school to respond appropriately to the individual(s) committing the acts. Other acts may be so serious or part of a larger pattern of harassment, intimidation, or

bullying that require a response either at the classroom, school building, or by law enforcement officials. Consequences and appropriate remedial actions for pupils who commit an act of harassment, intimidation, or bullying range from counseling interventions up to and including suspension or expulsion. **It should be noted that every effort is taken to follow a prescribed course of action in regard to consequences related to student's behavior and responsibilities. However, each situation is handled on an individual basis taking all factors into consideration. Comparisons should not be made**

**Reprisal or Retaliation** are prohibited against any person who reports an act of harassment, intimidation or bullying. ### **C.A.R.E.S.**

The C.A.R.E.S. Program (Children Are Receiving Extended Services) is a before and after school supervised program run under the guidelines of the Archdiocese. The **CARES Program** services families who desire both a parochial school education and a supplementary care program in a Catholic environment, for children enrolled in Kindergarten through grade eight (8). This program is limited to the students enrolled in Saint Katharine Drexel School. Information on hours and rates may be obtained in the school office.

### **Class Placement Requests**

Saint Katharine Drexel Catholic School has assembled a highly qualified faculty who are committed to ensuring a successful school year for every child. Teachers collaborate in each grade to determine the most beneficial placements for all students with regard to each child's promotion. Teachers' professional observations help guide their assessment of where each child will best thrive. From a parent's perspective, sometimes when we've had a great experience with a wonderful teacher we want to replicate that experience; however, each child is unique and no experience can be exactly the same for any child. Classroom placement is a delicate balance and many factors are taken into consideration; therefore the administration will not accept or honor requests for specific teachers. Should you have a compelling circumstance or consideration of which the administration is not aware, please pass these specific and articulable concerns, in writing, to the principal. No specific classroom placements will be considered for the following school year after the last day of school.

### **Cell Phones and Other Electronic Communication Devices**

Students are permitted to have cell phones at school. If the phone is not collected by the homeroom teacher, the student's phone **MUST** be kept in a student's schoolbag and **MUST** be **OFF**. The purpose of having a cell phone in school is for emergency **ONLY**. Therefore, no student needs to have the cell phone on his/her person at any point during the school day.

Ipods, digital cameras, smartwatches and the like are permitted if the teachers or administrators choose to give students permission to bring such items to school on a given day. All electronic devices must always remain in the schoolbag when in the building.

Any students who do not follow the guidelines above are subject to disciplinary action. Phones and electronic devices carried on the student or outside of their schoolbag will be confiscated.

### **Closing Exercises**

Participation in closing exercises is a privilege, not a right. The school has the right to deny any student from participating in the closing exercises of kindergarten and eighth grade if all financial obligations have not been met, or in the view of the school, the student's conduct, academic or disciplinary record indicate that the privilege should not be extended.

### **Communications**

Effective communication is the single, most important factor that assures a positive relationship between the home and school. General communication from the school will be posted on the school website. Any communication coming from home should be in a properly labeled envelope and given to the homeroom teacher. Email communication between parents and teachers is also a viable option.

### Early Dismissal

When it is necessary for a child to be excused from school before the regular dismissal time, a note must be given by the child to his/her teacher in the morning. A child leaving school early must be picked up by a parent, or an authorized person representing the parent, at the school office. The parent or authorized person must sign the child out from the school office and will be required to show proper identification.

### **Emergency Closing**

Since we are located in the Council Rock School District, any announcements pertaining to Council Rock Schools will apply to Saint Katharine Drexel in the event of emergency school closings or early dismissals or late start times. Other announcements by the other school districts will pertain only to their transportation. For example, if Neshaminy District is running two hours late but Council Rock is opening on time, Saint Katharine Drexel School will open on time but Neshaminy buses to school will be two hours late. It is then your decision to have your child take the bus at the adjusted time or provide your own transportation.

Please listen to KYW radio (1060 am) for our school closing number (Saint Katharine Drexel Catholic School #756) or listen to/watch Channel 3 (KYW), Channel 6 (WPVI), Fox Philadelphia, Channel 10 (WCAU) for closings listed by name. Each station's website will also have a school closing link.

We will also put a message on Facebook with information about overnight decisions to delay opening or closing for the day. In addition, we will post a message on the school website. As soon as any information is available regarding our status, we will get it posted to the website so you will be informed of the situation (if the internet is cooperating.) Our automated notification system, MSP, will call you with a message and text message regarding school during weather situations provided you have not opted out of receiving this message from the service.

### **Field/Class Trips**

The purpose of every class trip is to broaden the intellectual, cultural, and social experiences of each child. School permission forms must be signed by a parent in order for a child to participate. Insurance information must also be provided. Proper dress and good conduct are essential and expected on all trips. Participation in a class trip is a privilege and the school reserves the right to deny participation to any student whose conduct and attitude are not in keeping with the standards of SKD School. Students not accompanying their class on a specified trip must spend the time in school doing enrichment assignments.

### **Government Services**

Catapult Education Services provides services including counseling, psychological testing, speech remediation, and remediation in the areas of reading and mathematics. Act 195 provides limited funding for the purchase of textbooks, and Act 90 provides funding for various instructional materials. Act 372 allows busing of non-public school children by the school district in which the child resides. Children not usually bused cannot ride the buses.

### **Graduation**

Eighth grade students who have completed the prescribed course of study and maintained a suitable discipline record are eligible for graduation if all financial obligations have been met. Procedures for graduation are determined by the administration and the eighth grade teachers.

### **Harassment**

SKD School follows the Philadelphia Archdiocesan Policy prohibiting harassment, including sexual harassment. Sexual harassment refers to any unwelcome sexual attention, sexual advances, requests for sexual favors or other verbal, visual or physical conduct of a sexual nature. Sexual harassment is unacceptable conduct and will not be tolerated. Any student or parent/guardian who is determined to have violated this policy will be subject to appropriate disciplinary action up to and including dismissal of the student. A complete copy of the policy is maintained by the principal and is available upon request.

### **Health Services**

Council Rock School District provides our school with nursing services one day per week. Saint Katharine Drexel School provides its own nurse on the other days of the week. Emergency care will be offered to students for an accident or illness occurring *during* school hours. Prolonged illnesses or injuries, which occur outside of school, are parents' responsibility. School nurses are prohibited by law to diagnose injuries or illnesses. Please do not send your child to the nurse for diagnosis.

In order to administer effectively our health-related programs, your assistance is vital in the following areas:

- Emergency cards, forms, questionnaires, etc. need to be completed and returned promptly.
- Changes in a telephone number, address, emergency contact, employment, etc. should be reported to the school nurse and the school office.
- Information on new immunizations, surgery, accidents, communicable diseases, or special medical conditions should be reported in writing to the school nurse.
- Please keep students out of school if they experience a temperature above 100 degrees, or any vomiting or diarrhea within the twenty-four hour period before school starts.

### **Administration of Medication**

School personnel will administer prescription and non-prescription medications during the school day according to the following regulations:

- Medication must be in the original container and delivered at the beginning of the school day to the school nurse or principal.
- Parent must complete a Medication *Form* or send a note including the following: student's name, name of medication, dosage, time and date of administration, reason for administration, possible side effects, other medications student is taking, name of prescribing physician, and physician's phone number.
- Non-prescription drugs require a note from a physician including the information above.
- A parent may come to school to administer medications, but must report to the school office *before* dispensing medication to student. Parents may *not* dispense medication in the classroom or corridor.

### **Health and Wellness Policy**

In accordance with the Archdiocese Wellness Policy, the Council Rock School District, and our school health committee, no food/candy treats will be allowed at school for birthday celebrations.

### **COVID-19 Health and Safety Plan**

For the health and safety of the school community, all students are to be screened for symptoms of COVID-19 before entering the school. Parents are required to complete a health-screening of each child before sending him/her to school each morning. By sending your child to school, you are confirming that you completed this daily health screening.

### **Homeroom Parent**

Each class will have **one homeroom parent**. The homeroom parent acts as a liaison between teachers, the Parent Association, and the students' parents. The homeroom parent will be responsible for organizing events with other parents in the class via instructions from the classroom teacher. The homeroom parent will be responsible for communicating to families in the classroom for help with school activities, reminders, and events along with attending our monthly Parent Association Meetings. There will be no homeroom fee and the homeroom parent will be responsible in recruiting and coordinating volunteers, supplies, and items for specific classroom events.

### **Homework**

Homework is given for the following reasons: to foster habits of independent work-study, to reinforce learning that has taken place in school, and to bring home and school together. Each teacher sets up his/her own policy for home assignments. Parents should provide a good study atmosphere, set a definite time for homework each day, and check the homework to ascertain that it has been completed. It is important, however, that parents recognize that homework is the student's responsibility; they should not assume that responsibility for the child. If there is a problem about assigned work, parents should contact the teacher involved by sending a note.

The Office of Education suggests the following time allotments for daily homework (includes both written and study assignments):

Grades 1&2 –30 min. Grades 3&4 –60 min.

Grades 5&6 –90 min. Grades 7&8 - 120 min.

All written assignments should be done neatly and legibly. No assignment, projected by a teacher to take a few weeks, can be done overnight or in one weekend. Rather, students should approach long-term assignments by evenly distributing the work over a period of time and not procrastinating until the due date. These time-management skills provide vital training for the future. Parents' signatures on homework are at the discretion of the individual teacher. The teacher reserves the right to detain students during recess for the purpose of completing assignments not submitted.

### **Homework for Absentees**

If a student is absent due to illness or a family emergency, a parent / guardian may view all necessary assignments on the school website. If a text is required to complete an assignment, a parent / guardian may call the office to make the request and obtain the material from the front office before 3:30. If permission is given a sibling or a designated friend may pick up the material at the office before 3:30 PM. Homework can not be picked up in CARES.

### **Personal and School Property**

Students must be responsible for their own belongings including electronic devices. All clothing, lunches, and other articles must be clearly marked with family names. The school reserves the right to search anything on school property.

### **Philosophy of Discipline**

Personal and Social Growth is a necessary reflection of the philosophy of a Catholic School, which attempts to develop a fully committed Christian. As Christians, the students will respond to their responsibilities and obligations as they follow the two Great Commandments of Jesus.

First: "You must love the Lord your God with all your heart, with all your soul, and with all your mind." Second, "You must love your neighbor as yourself." (Matthew 22:37-40)

Living these commandments helps the students develop self-control, a necessary element in personal growth and raises students' awareness of their relationship with all community members. The observance of school rules is necessary to create an appropriate atmosphere for learning. Faculty and parents must work together to assist the students in their religious, academic, social, and physical development.

The mission of St. Katharine Drexel Regional Catholic School is to form Catholic leaders who are self-disciplined. The students are called to be caring, respectful, responsible and enthusiastic students. When students do not meet these expectations of behavior, the school staff will utilize interventions that enables students the ability to solve problems while keeping their dignity intact. Such interactions are aimed at helping the students understand how their behavior impacts others.

The discipline code applies to students and parents/guardians in school and at school sponsored events, as well as in the school/parish community and outside the school/parish community where

the behavior is contrary to Catholic teachings or could bring disrepute or embarrassment to the school.

To encourage the development of personal discipline, the students must be aware of the impact of their behavior on others. This awareness is acquired through the collaboration of parents and school faculty and administration.

In-school problems reported by students to parents should be discussed with the classroom teacher as soon as possible.

**The following guidelines have been formulated to increase student awareness of personal responsibilities as a student of SKD School. Students are expected to:**

- Respect all persons, adult and peer alike, in word, action, and attitude. This includes any adult in the school building, schoolyard, or church. All students should treat each other with consideration and respect.
- Treat all personal and school property with respect.
- Obey all classroom rules established by the teacher.
- Be prepared for class.
- Complete assigned homework.
- Complete assigned class work. Students should work diligently in order to complete class work in the allotted time.
- Comply with the school dress code.
- Observe lunchtime and schoolyard rules.
- Act with due reverence in church.
- Refrain from bringing non-educational material to school.
- Know and comply with all school regulations as stated in the school handbook.

When appropriate, age-appropriate disciplinary consequences result from unacceptable behavior. In an extra effort to support the development of our students, the following steps will be implemented:

- Conferencing- The teacher will interview the student(s) to discuss the behavior, its results and the consequences of their actions.
- Disengage from classroom environment- The student will be removed from the classroom for a brief, specific period of time.
- Service to the school- The student will complete some service to the school in reparation for their action.
- Written response- The student will describe the infraction, define the consequences, indicate who was hurt by their actions and describe subsequent change to behavior.
- Lunch detention- The student will serve supervised lunch detention for a time that reflects the nature of the infraction.

These interventions may be combined if the teacher or administrator deems it appropriate.

Detentions will be held on Tuesdays from 2:45-3:45 PM. Transportation for students is the responsibility of the parent/guardian. Each student must be signed out by a parent/guardian. The administration reserves the right to determine the time and day of detentions, as well as the consequences for any major offenses

**Automatic detentions** may be issued for serious infractions including but not limited to the following:

Physical Aggression

Obscene / Inappropriate Language  
Verbal Harassment  
Disrespect  
Defiance  
Cheating  
Stealing  
Forgery  
Vandalism  
Fighting  
Dishonesty  
Bullying

Please note that immediate detentions, in-school suspension, removal from school, and expulsion can be a consequence for all students in any grade. In-school suspension is sometimes an option in lieu of out-of-school suspension. The determination lies at the discretion of the administration and is relative to the nature of the situation. On occasion and depending upon the situation, parents may be called to remove their child from school. A meeting will be arranged and conditions for return to school will be discussed with the parent.

It should be noted that every effort is taken to follow a prescribed course of action in regard to consequences related to student's behavior and responsibilities. However, each situation is handled on an individual basis taking all factors into consideration. Comparisons should not be made.

An inability of a student to work toward improved self-discipline can result in the recommendation of an alternative school placement. In addition, the student, if suspended but not dismissed, may be required to have psychological or psychiatric clearance before returning to school.

**Serious Infractions, including but not limited to the following, may result in the immediate removal of a child from school with the intent to permanently dismiss:**

- Misuse of communication devices in school, at home, or off premises that target any student, teacher, or staff member,
- Alcohol and/or drug possession or use
- Weapon possession
- Blatant physical or verbal contact towards a student, teacher, or staff member
- Possession of materials or a display of actions deemed immoral by the Administration

**At any time, the administration has the right and authority to impose consequences in keeping with the mission and philosophy of the school in order to protect and preserve the wellbeing and safety of the school community.**

It is the intent of the school to provide an educational environment free from all forms of improper threats, intimidation, hostility and offensive and inappropriate behavior. Such improper conduct may take the form of unwanted verbal or physical conduct, verbal or written derogatory or discriminatory statements, and behavior not otherwise conducive to the educational and religious mission of the school.

This policy applies both in and out of the classroom, in the school community generally, and outside the school community, where the behavior is contrary to Catholic teachings or could bring disrepute or embarrassment to SKD School. Conduct by students and parent/guardians, or anyone acting on their behalf, incompatible with the educational and religious mission of the school is grounds for disciplinary action, including, but not limited to the immediate dismissal of the student, as well as reporting the incident to the appropriate legal authorities where appropriate.

### **Photo Release**

SKD School reserves the right to use photos and videos of our students with or without names during real-time learning activities for any lawful purpose, including for example such purposes as publicity, illustration, advertising, social media and Web content. This permission can be revoked in writing by the parent/guardian of the child. This notice must be signed by the parent/guardian and forwarded to the school office for your child's permanent file.

### **Promotion/Retention**

Education is a cumulative process that builds on learning already achieved. To provide the strongest possible foundation for future learning, SKD School reserves the right to recommend the retention of any student who has not met the specific requirements of his/her grade, or who has demonstrated, through both objective evaluation and teacher judgment, not to be working to his/her potential.

Promotion is at the discretion of the principal. A student is promoted when he/she adequately demonstrates mastery of the material required in the given grade.

### **Proper Care of School / Vandalism**

The physical appearance and cleanliness of our school is a source of great pride. Every child is responsible to maintain this cleanliness at all times. This responsibility extends to school books, desks, interior of classrooms, halls, lavatories and schoolyard. Any malicious damage will necessitate compensation by the student and/or parent.

### **Religion**

The knowledge and practice of the Catholic Faith is the primary focus of the education given the child at SKD School. This religious development, begun in your home, is continued at our school by following the Diocesan guidelines and participating in liturgical functions. The liturgical experiences provided for our students are a vital part of the religious education of the child.

### **Report Cards**

The evaluation of a student's academic progress is an on-going process. In accordance with the schedule set up by the Office of Education, this process is reported formally three times a year. Grades are not merely a summation of test scores; they reflect the student's daily work, homework, class participation, and project work. Academic progress can be monitored on-line for grades 1 through 8 using [www.mystudentsprogress.com](http://www.mystudentsprogress.com). The school provides parents with a User ID and Password. The link to My Students Progress will also appear on the school website.

### **Safe Environment**

Students review a "Touching Safety" lesson twice a year – once in the fall, and once in the spring. In these classes, they learn how to identify situations in which an adult may be trying to take

advantage of them. Students learn what to do and where to go for help. Parents/guardians may opt out their child from the teaching of this lesson by sending notification in writing to the school principal. This notice must be signed by the parent/guardian and will be placed in your child's permanent file.

### **School Supplies**

The students are expected to have necessary supplies on hand at all times. Please consult your child's stationery list for his/her specific grade level. Trappers and spiral copybooks or notebooks are unacceptable across the grades.

### **School Telephone**

The school telephone is for official use only. Students will be permitted to use the telephone only in case of an emergency. It is the student's responsibility to check school supplies before leaving home. A student will not be permitted to call home for books, lunch, gym supplies, homework, musical instruments, school and / or extracurricular related materials.

### **Standardized Testing**

The Terra Nova Test is administered each year to students in adherence with the Archdiocese of Philadelphia requirements. Parents are asked not to take vacations or schedule doctor appointments during the days of this testing. The results are communicated to parents and are utilized by the school for curriculum planning.

### **Student Council**

All students wishing to run for Student Council or to be considered by their teachers must meet all eligibility requirements.

Grades K to 2: A responsible student from each room is selected by his/her homeroom teacher to represent his/her class on the Student Council.

Grades 3 to 8: A responsible student is elected by his/her classmates with the final approval of the homeroom teacher to be a member of the SKD Student Council.

Leadership Team: Five to six responsible students from grade 8 will be elected by their peers to serve on the Board. The Council's primary duty is to make sure students are mindful of school rules and regulations during the day. They initiate special activities during the year which are educational, interesting, and fun. They are expected to participate in school, liturgical, and extra-curricular activities. Due to the responsibilities involved, the children on the Council must keep up with their academic and moral standards. The children are expected to respect and uphold the laws set in the Student Council's Constitution.

### **Test Grades**

In order for parents to be aware of their child's academic progress with regard to weekly tests, scores will be available to view through the My Students Progress Software program. Assessments and tests will still be sent home, and parents should review mistakes with their children.

### **Transfers**

Please notify the school at least one week in advance of the date of transfer to another school. Parents must sign a release form to have all records forwarded to a new school. The following information is necessary:

- Name and grade of student
- Student's date of birth
- Reason for transfer
- Name and address of school child will be attending
- Last date your child will be attending SKD School

### **Vacation Policy**

Although the decision to take a family vacation while school is in session is left to parental discretion, these vacations are discouraged. Children who are absent because of vacations miss valuable classroom instruction which cannot be replaced. The procedures regarding vacations during school time are:

- A note stating the reason and the travel date must be sent to the student's homeroom teacher at least one week prior to the vacation.
- Advance assignments *will not be given* to any student prior to the vacation.
- Work, which the student has missed, will be gathered during his/her absence and will be given to the student when he/she returns to school.
- All make-up work will be due within a reasonable amount of time, to be determined by the teacher (not to exceed 10 class days).
- Students will be given ample notification by the teacher as to make-up dates for quizzes or tests missed during vacation.

### **Visitors**

No visitor or volunteer may go directly to any area of the school without first presenting a valid photo ID to be scanned through our Raptor system. Each person will receive a visitor's badge and will be directed to the appropriate area.

If anyone sees someone in the school building without a badge, that person should be immediately reported to the office.

For the safety of the children, visitors and volunteers are not permitted to go to a classroom to visit, confer with a teacher without an appointment, or visit any child in class, at lunch, or in the schoolyard.

***Saint Katharine Drexel Regional Catholic School reserves the right at anytime to amend or add to the policies, rules and regulations contained in this handbook, and to make such changes applicable to current and new students when the situation dictates.***
